

# GAGA DANCERS CLASSES AND OHAD NAHARIN REPERTOIRE

**25 - 28 nov 2024**

**This sessions gives dancers an opportunity to learn excerpts of Ohad Naharin's choreographic works and apply their training in Gaga to the repertory. Classes and repertoire workshop are organised in collaboration with ilDance/Gaga Sweden**

**Gaga** is the movement language developed by Ohad Naharin throughout many years, parallel to his work as a world-renowned choreographer. Gaga classes are predicated on a deep activation of the body and physical sensations. We provide a framework for discovering and strengthening the body and adding flexibility, stamina, agility, and skills including coordination and efficiency while stimulating the senses and the imagination.

Gaga/dancers deepens dancers' awareness of physical sensations, expands their palette of available movement options, enhances their ability to modulate their energy and engage their explosive power, and enriches their movement quality with a wide range of textures. The classes are built on the same principles as Gaga/people classes but also employ the specific vocabulary and skills that are part and parcel of a dancer's knowledge.

Hani Sirkis was born in 1998 in Israel. She graduated from Thelma Yellin High School of Arts' Dance Department. Hani joined Batsheva – the Young Ensemble in 2016 and Batsheva Dance Company in 2018, where she danced until 2022.

Other than her work as a dancer and Gaga teacher, Hani also creates and performs as a drag queen under the stage name "Barbie Cute," and manages the drag show "Kunty Klub."
