

INTUITION IN ACTION

22 - 24 aug 2022

The objective of the workshop is for you as a participant to gain greater trust in your intuition, imagination, creativity and to expand your expressive range.

The work is research in how to effectively "get out of your own way".... to lay off the inner critic and to allow rich material to present itself. The work is fun, stimulating, and challenging. It is highly likely that you will be breaking new, fertile ground. Please familiarize yourself with the work at the website, where you will find a more in-depth description, a video lecture, and testimonials from previous participants. https://www.stephenrappaport.com/workshop

Note: You must have the intention to attend every session. You must come on time. There is homework given. The homework does not need to take very long. You decide how much time you put into your work.

We will be working very concentrated. A short break or two. Bring snack food, a water bottle, notebook, and pencil.

A workshop in collaboration with Danscentrum Syd
