

# SPARKLING IMAGINATION - IMPROVISATION

**18 - 22 maj 2020**

**Tyvärr måste vi meddela att kursen med Horacio Macuacua i maj är inställd. När den rådande situationen har lugnat ned sig kommer Horacio till Stockholm för att hålla workshopen men i dagsläget kan vi inte säga något exakt datum.**

The inflexibility of the established paralyzes the movement, dims the ingenuity, casts a shadow over surprise. But life force makes us adaptable, it gives us the opportunity to transform space and to translate energy into matter, matter into its own evolution. The outline of the spontaneous is blurred to disappear, the margins of the predictable are softened and we know the interrogation point that questions the automatic response. The body allows us to transcend.

The workshop evolves with what the group offers, as the ability to create and compose physically need training and attention as well as technique or style. Through the group process the participants learn from each other through acceptance and transformation, collaboration and observation of their own dance and of the whole group.

**Horacio Macuacua,** dancer and choreographer is the artistic director of the dance company which bears his name. He develops projects that aim to go beyond established forms.  Flexibility of mind and availability to catch the moment translate movement instantly into compositions that are complex and elaborated, displaying depth and playfulness, darkness and light. Each composition is a journey to reinvent and transform within the parameters of meaning. Horacio has collaborated with choreographers Cristina Moura, Thomas Hauert, George Khumalo, Wim Vandekeybus/Última Vez and David Zambrano, considering him his maestro and mentor.  As a teacher he has given classes and workshops in France, Germany, Spain, Belgium, Holland, Cyprus, USA, South Korea, Brazil, South Africa and Mozambique.
