

STOPGAP

28 - 31 okt 2024

Stopgap Dance Company is driven by a diverse creative team who uses dance as a movement for change.

Working with an artform shaped by human touch and energised by the spark of connectivity, our work demonstrates the compelling power of diversity and inclusivity. We move together to create a remarkable experience that transforms society's perceptions of difference and dismantle the inequity of privilege, in dance and in all aspects of living, collaborating, and creating together as humans.

The company are a global leader of disability access in dance and continuously examine best practice. We actively advocate for the industry and the wider world to become more inclusive.

Samarbetsparter för att göra detta möjligt är Dansalliansen, Danscentrum Väst, Språng, Danskompaniet Spinn och RTV.

These workshops will guide, build and develop you as dance artists and collaborators. Each day will have it's own theme drawing on Stopgap's Inclusive Practice. Building an open and non-judgemental setting, we will offer explorations with time to share and reflect.

Monday: Exploring and developing individual personal movement vocabulary.
Tuesday: Movement translation.
Wednesday: Creative and choreographic.
