

CONDITIONING CLASS

7 - 11 aug 2023

För tionde året i rad presenterar Dansalliansen ÖPPEN SOMMARTRÄNING som är utan kostnad för professionella frilansdansare och ingen föranmälan krävs. Den öppna sommarträningen genomförs i samarbete med Danscentrum Stockholm.

Conditioning class for dancers incorporating Pilates, Giro and yoga, concluding in improvisation

The aim of each class is to give dancers a full body training that will prepare them for getting back after the summer break and for upcoming rehearsals or performances. Classes begin focusing on opening and releasing of the body's fascia and major muscle groups through movement and flow exercises, followed by key core and strengthening mat work exercises that will support injury prevention and aid technical development.

Each class will conclude with an improvisation that is an opportunity to explore and enhance our range of dancing skills. The focus for each day will be slightly different but equally familiar.
