PRACTICE OF PERFORMANCE

26 - 29 feb 2024

Nevanlinna is one of the very few, who are permitted to give workshops based on Deborah Hays practice

In Vera Nevanlinna's workshop, we familiarize ourselves with American choreographer Deborah Hay's "Practice of performance" and choreographic structures. We will learn a score and perform it to each other. In the workshop, you dance by listening to your own cellular body through various questions. The questions prompt the dancer to find an alert and present way of creating both movement and choreography in relation to the whole environment – space, other dancers and the (imaginary) audience.

Nevanlinna is one of the very few, who are permitted to give workshops based on Deborah Hays practice. Since 2015, Nevanlinna has also been a guest dancer at Cullberg in Deborah Hay's choreography Figure a Sea. It has been touring widely in Europe, America and Middle East 2015-2021.
