

THE EMBODIMENT JOURNEY

4 feb - 25 maj 2023

Somatic Explorations in Movement in collaboration between Dansalliansen and Danscentrum Väst

A full semester into the Embodiment process through the practice of **So.M.A - Somatic Movement Attunement ™, Breathwork & Somatic self-management tools. NB!** It is possible to participate occasionally and invitations will be sent out on an ongoing basis. If you do not receive a summons, please contact petra.wormbs@dansalliansen.se

During this semester together, we will explore our Bodies in motion and stillness to gain a deeper awareness into our internal landscapes of Being.
The workshop will consist of four 2 day workshops at Danscentrum Väst and 4 virtual workshops via Zoom.

During the virtual workshop sessions,
we will explore complementing **Somatic tools & Movement exercises** to support and expand awareness of the fascial system, nervous system and organs in the process to deepen & transform the Whole being.
